

PURCELL
TIRE AND SERVICE CENTERS

Purcell Tire and Service Centers have expanded through our 82 years to serve the automotive repair, new tire, and new wheel needs of customers in many areas, including St. Louis, MO, Phoenix, AZ, Alaska, Kentucky, Arkansas, New Mexico, Utah, Texas, Washington, and surrounding areas.

The Vitae Foundation would like to thank Woody Bogler Trucking and the Bogler Family for putting on this 3rd Annual Memorial Pro-Life Golf Classic in honor of Woody Bogler. We would also like to thank all the sponsors for helping make this tournament a reality. Woody believed in the Vitae mission of helping women with unplanned pregnancies find the resources they need to make life-affirming decisions. Vitae wouldn't be where it is today without compassionate and hard-working people like Woody.
