

Keynote: Steve Deace

Vitae's Don & Ruth Ann Schnieders Annual Pro-Life Event

Thursday, March 21, 2024

Steve Deace is a bestselling author, movie producer, podcaster, and most importantly, a husband and father. Deace's pro-life values stem from being born to an unmarried fifteen-year-old who contemplated abortion but ultimately chose life. Steve wrote *A Nefarious Plot* about a demonic takeover of America which inspired the 2023 movie *Nefarious*. Deace authored several other books, including the best-sellers *Faucian Bargain* and *Rise of the Fourth Reich*. Steve is known for his daily two-hour podcast, *The Steve Deace Show* for *The Blaze* where he and his guests share Christian worldviews and principled conservatism.

All proceeds benefit Vitaefoundation, a national non-profit organization that facilitates research about life issues and applies the findings to create messaging strategies to share with others so that together, we can build a future where abortion is unthinkable.
